#### **WORKERS' COMPENSATION: EXPERIENCE AND INNOVATION**

A.I.M. Mutual has been the workers' compensation insurance carrier for The Kraft Group and Gillette Stadium since 2019.

The Stadium is home not only to the New England Patriots but to top-name concerts, the New England Revolution, lacrosse, high school superbows, motor sports and a host of public and private events.

Coverage is backed by A.I.M. Mutual's well known suite of services, tailor-made for this world class venue. Making NFL games and all events happen are the employees of Gillette Stadium who represent a broad scope of disciplines, each with their own risk management considerations.

No one understands that better than the A.I.M. Mutual service team dedicated to The Kraft Group. From workplace safety to return to work programs and day-to-day service needs, our specialists welcome the opportunity to support the staff at Gillette Stadium.
