

Health & Safety Training

## Health & Safety Training Series in December 2021

The New England Consortium (TNEC) is a regional worker health and safety training project funded by the National Institute of Environmental Health Sciences and based at the University of Massachusetts Lowell (UML) in partnership with MassCOSH, RICOSH, ConnectiCOSH, NHCOSH, and CSEA (Local 1000, AFSCME). Since 1987, TNEC has delivered training in hazardous materials operations, emergency response, infectious disease preparedness, disaster preparedness, and general workplace health and safety.

### **COVID-19 and its Variants: Latest Workplace Protection Strategies**

**Monday, 12/13/21 @ 1:00PM-3:00PM**

**Tuesday, 12/21/21 @ 1:00PM-3:00PM**

This no-cost, 2-hour virtual zoom course, is intended for workers and employers on the latest on the fight against COVID and its variants. It addresses ventilation issues, vaccine updates, and hazard/risk analysis & workplace exposure prevention.

## The Implications of COVID-19 for Mental Health

Thursday, 12/16/21 @ 9:00AM-11:00AM

Wednesday 12/22/21 @ 1:00PM-3:00PM

In this no-cost, 2-hour virtual course, we will discuss how COVID-19 has changed the way we all work. Some of us never stopped physically going to work, while others have been working remotely since March 2020. No matter where we are, working during a pandemic has added stress to our daily lives and impacts our health & well-being. The course will cover a stress assessment, resilience and healthy ways to cope with stress.

## Disaster Preparedness

Thursday, 12/16/21 @ 1:00PM-3:00PM

Wednesday, 12/22/21 @ 9:00AM-11:00AM

This no-cost, 2-hour virtual zoom course focuses on decreasing the risk of worker and community resident injury and illness in responding to severe weather events, such as storms and floods, and planning next steps in preparing for disasters in the participants' own work setting and in their communities.
