

## **Employer's guide to the Best Doctors Occupational Health Institute**

### **What you need to know**

The treatment of work-related injuries requires physicians who are not only expert in the care of musculo-skeletal injuries, but they also must understand the importance of helping your employees return to rewarding productive lives. The quality of care your employee receives in the first few weeks of injury will have a tremendous influence on whether he or she is able to return to work safely or suffers from a prolonged disability.

### **About the Best Doctors Occupational Health Institute of Northern New England (BDOHI-NNE)**

BDOHI-NNE is a medical community of physicians and allied health professionals who have been selected by their peers for clinical excellence and an understanding of productivity issues so important to work-related injuries. The mission of BDOHI-NNE is to help your injured employees get the best care possible and to assure a safe recovery and a prompt return to productivity.

### **How to help your employees benefit from the Best Doctors Occupational Health Institute-NNE**

- Identify and encourage the use of the most convenient BDOHI-NNE Primary Occupational Health Center for your employees. For emergent situations dial 911.
- Display the A.I.M. Mutual/BDOHI-NNE poster with the name, address and phone number of the most convenient Primary Occupational Health Center in a public viewing area. The poster is available at [www.aimmutual.com](http://www.aimmutual.com) in our Forms Library.
- In the event of a **serious injury** please call us immediately at 1.866.270.3354. Please report all other injuries through our website [www.aimmutual.com](http://www.aimmutual.com). Click on **Report a Claim**.
- If your employee requires specialty care he or she can call the assigned A.I.M. Mutual claim handler at 1.800.876.2765 for several recommendations.

### **Remember...**

Your employees are your most important resource. Our mission is to help you, help them when injured on the job.
