

YOUR WORKERS COMPENSATION INSURER

Your employer is committed to providing you with prompt, quality health care in the event you are injured here at work. The *A.I.M. Works™* program, which includes affiliation with Best Doctors Occupational Health Institute-Northern New England, is designed to provide prompt access to medical care and assist you in a safe and timely return to work.

Your nearest affiliated Occupational Health Center is:

Address: _____

Telephone: _____

In case of emergency or after business hours go to: _____

If you are injured at work...

- Notify your supervisor or ask a co-worker to notify your supervisor immediately!
- Call 911, or ask a co-worker to call, in the event of a serious medical emergency.
- Seek appropriate medical care.
- If you work in MA, return your completed Med-Fax report to your employer.
- If you work in VT, return your completed VT Workers' Compensation Medical Form to your employer.
