November 9, 2022 - Leveraging the Safety & Health Resources Around You: Hint, It's Not Google

Presented by: Tim McCarty, MSc, CSP, ARM, ALCM, CSSM, ABCP, GradIOSH

Senior Vice President – Safety & Risk Consulting Clark Insurance

There are a wide variety of places to go for safety & health resources beyond just googling in a hopeful way. We all have limited time to try and locate the tools to keep our safety programs moving forward. Participants will understand other sources of high quality resources to tap – beyond google.

Tim McCarty has 35 years of experience in the safety and risk management field working nationally and internationally for brokers, insurance companies and consulting firms. He is currently the Senior Vice President – Safety & Risk Consulting at Clark Insurance and delivers services to clients throughout New England. He has a BS in Industrial Engineering from the University of Southern Maine and a Masters in Occupational Safety and Health from Columbia Southern University. Additionally he holds the Certified Safety Professional designation as well as numerous others.
